

LBS Environmental Policy

LBS is committed to leading the industry in minimising the impact of its activities on the environment. We will strive to improve our environmental performance over time and to initiate additional projects and activities that will further reduce our impacts on the environment. Our commitment to the environment extends to our customers, our staff and the community in which we operate.

This Policy Statement commits our company to:

- Continually improve our environmental performance.
- Integrate the consideration of environmental concerns and impacts into our decision making and activities
- Minimise waste by evaluating operations and ensuring they are as efficient as possible.
- Manage and dispose of all waste in a responsible manner.
- Actively promote recycling both internally and amongst our customers and suppliers.
- Source and promote a product range to minimise the environmental impact of both production and distribution.
- Inform our employees about environmental issues that may affect their work, promote environmental awareness among our employees and encourage them to work in an environmentally responsible manner.
- Ensure that energy and water are used responsibly and conserved through innovative practices and procedures.
- Comply with all relevant environmental legislation.

Our Policy Statement will be regularly reviewed and updated as necessary. The Managing Director, Management and staff of LBS endorse this policy statement and are fully committed to its implementation
